

Basketball

We were in a basketball team. With Jerry, Jalen, Rosy, Abigail, Christiaan and Thomas. Our first match was against the Catamaran. We won 6-0. It is the school next door. We very often play football against them and very often win. The second game was against the Octopus. That was a tough opponent. Unfortunately we lost 6-2. Our third game we had against our own class. because we had 2 teams. That team consisted :Gio, Laurenz, Tycho, Simon, Cheyenne and Diora. They played their first game against the Octopus. They had won 4-2. Then they had a game against the Catamaran and lost 4-2. Then we played against each other. And we played 2-2. The total goal differences counted. Team 1 had the most points so we were in the final. Three weeks later was the final. We were

in the poule with the obs West and Horizon . Against the Horizon we lost 10-0 Then we won with 6-2 against obs West. In the semi-final

against the other Horizon we lost 14-0 We then had the 3rd and 4th place play. We became third.
