Muscial Practice

Two weeks ago, we started practicing for our musical. We are getting lessons from a drama teacher.

Those lessons are pretty fun to do. We have to do thing like saying our name and our feelings by jumping or doing something else.

Today we started practising our roles.

We don't have much things to say in the musical, so it is pretty easy to practice.

Friday, next week we are going practice on the podium.

By Mark and Laurenz.
